Get the Records

Record Retrieval

- All 50 states, backed by more than 50 years of records experience
- Provider outreach, follow-up, and quality review handled for you
- Order, track, and receive through the Compex Client Portal

Compex Canvass™ — Medical Canvassing

- Identify providers and treatment that aren't in the file yet
- Medical, pharmacy, and specialty searches
- Findings move directly into retrieval when records are needed

Social Media Canvassing

- Publicly available digital activity, identified and verified
- Pre-loss and post-loss context the claim file will not show you
- Specialized technology paired with human review

Understand the Records

Asabell™ AI-Powered Intelligence

- Each medical record summarized by encounter: provider, diagnosis, treatment, and findings, cited to the source page
- Medical chronologies that organize those encounters across providers and dates of service
- Billing summaries with CPT code extraction and expenses organized relative to the date of loss

Support the Case
